

Aylesbury Vale

Natural Burial Meadow

Leedam

Peaceful and Beautiful

The meadow at Aylesbury is rich in natural beauty. A special place to spend time listening to the skylark's song amid the expansive skies and sweeping vales, taking in the fine views of the Chiltern Hills and beyond.

As you enter, we have a beautiful pond to offer encouragement to wildlife and wildflowers. This calming corner is also home to our memorial panel, with slate plaques that commemorate those buried in the meadow.

Burials at Aylesbury Vale are simple, using only natural materials and leaving the lightest of footprints in the picturesque Buckinghamshire countryside.

Ashes can also be laid to rest at the meadow, nestled among vibrant wildflowers and grasses, local wildlife and grazing sheep.

In memory of Dorothy Brock

This meadow celebrates the vision of Dorothy Brock, whose family has farmed the land for five generations. Dorothy chose to rest here in the landscape she loved and opened Aylesbury Vale to share that possibility with others. The burial meadow is now owned and managed by Dorothy's daughter, Sally Whitworth.

Our custodian

Our custodian at Aylesbury Vale is Sally Whitworth. Sally and her husband Craig are actively involved in farming the land, sowing wildflowers and planting trees. They and Sally's cousin Howard jointly look after the burial ground, and will be there to meet families and friends to help with parking and questions on the day of a funeral.

Please contact Sally if you would like to arrange a visit or learn more about having a natural burial at Aylesbury. If you prefer to explore the meadow independently, please feel free to visit at any time and have a look around.

How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. The meadow will remain as it is now, permanent pasture - preserving its authentic, agricultural character.

In advance

- Visit Aylesbury Vale Natural Burial Meadow and spend time there getting a feel for whether it's right for you.
- Apply online or download an application form from our website, or phone us and we can send you an information pack via post.
- Pre-purchase at today's rate. Options available to pay by standing order.

Practicalities

We recommend sturdy footwear for walking in the Meadow. A foldable chair is a good idea for those who find it difficult to stand and please dress appropriately for the weather. We also have composting toilet facilities on site in the car park.

There is extensive information about natural burials on our website www.aylesburynaturalburials.co.uk and we are here in the Leedam office to answer your questions - 01600 716438.

When planning a funeral

- Complete an application form to let us know your plans for the day so that we can help you deliver your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials can take place at anytime during the day on weekdays and even on Saturdays by arrangement.

Simple, natural and beautiful

The concept behind natural burial is one of giving back to nature. The body is returned to the earth in a biodegradable coffin, wearing only natural materials, without toxic preservative treatment and at a shallower depth, to encourage transformation by nature in the living layer of the soil.

Make the day your own

The meadow gives you the freedom to be yourselves. Whether you are planning a simple interment with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

Choose the best format, music ceremony and style to suit the person who has died. You could celebrate with an open-air picnic; wear bright colours or a favourite team's strip; arrive by motorbike or horse and carriage. You have the time and space to do it your way.

Flowers

Consider using flowers from your garden, or a friend's, or fresh produce from the veg patch to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, Oasis foam or wire, please.

Think about scattering petals from a basket or single stems into the grave.

Pets

Dogs offer comfort and companionship, especially at funerals. We know that they help relieve anxiety and stress. They help children who are grieving and dealing with all the emotions that are brought up at funerals.

Dogs on leads are welcome at the burial meadow.

Memorials

Slate memorial plaques engraved with names and dates commemorate people buried in the meadow.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.

We also offer a limited number of places where trees can be planted or dedicated to someone's memory within Aylesbury Vale.

Finding the spot

To preserve the natural landscape, graves do not feature headstones, grave-markers or surrounds; instead, they are carefully mapped and their locations are recorded and shared with you so that you'll know where to visit.

Whichever way you would prefer to share the location, we have got it covered...

- >> Latitude and Longitude
- >> [/// What3Words](#) address
- >> Google Pluscode
- >> Google Maps link
- >> QR Code (scan with your camera app)

If you struggle with any of these, don't worry, we will be able to mark the grave for you.

You'll be able to return to the spot at any time and you will have helped preserve a much loved landscape for future generations to enjoy.
