Natural Burial Meadow

Leedam

Look out over familiar places

The western meadows are sheltered in woodland. To the east, meanwhile, vistas open towards the Garth Mountain, along the Taff Valley to Castell Coch, St Fagans, Caerphilly Mountain and Craig Llysfaen.

The further east you walk, the more of the city you'll see. Head across to the tall beech trees in the south-eastern high ground and, on a sunny day, you'll catch the light dancing on the surface of the Severn Estuary, the two bridges leading your eyes across to the Mendip Hills of Somerset in the distance.

The beauty of the meadow evolves with the passing seasons. At any time of year, a visit to the burial ground will connect you with nature.

You'll have space to focus. To reflect on life, love, and loss.

How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. The meadow will remain as it is now, permanent pasture - genuine, farmed countryside.

In advance

- Visit the burial meadow and spend time there getting to know it and deciding whether it's right for you.
- Download an application form from our website, or phone us and we'll send you an information pack.
- Pre-purchase at today's rate. Options available to pay by standing order.

Practicalities

We recommend stout footwear as the ground is uneven. A foldable chair is a good idea for those who find it difficult to stand and remember, there's no such thing as bad weather, just the wrong sort of clothes...

There is a wealth of information about natural burial on our website www.cardiffnaturalburials.co.uk and we are here in the Leedam office to answer your questions - 01600 716438.

When planning a funeral

- Complete an interment form to let us know your plans for the day so that we can help you achieve your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials may take place 10am-1.30pm on weekdays by arrangement.

Our custodian

Our custodian at Cardiff natural burial meadow is Annabelle Traherne. Annabelle and her husband Rhodri own the Traherne estate and take great pride in ensuring that the meadow is maintained to the highest standard at all times.

On the day of a funeral, Annabelle will be there to welcome and look after you.

Please contact the office if you would like to arrange a visit or learn more about having a natural burial at Cardiff. If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

More time and space

The natural burial ground in Cardiff is an open meadow, punctuated by mature trees framing scenic views across the Vale.

It is tranquil and private. An unhurried and gentle place to get away from it all. It is somewhere quiet to be with your memories, to take one step at a time, close to nature, whatever the weather, throughout the seasons.

A large, leafy tree with a thick trunk and dense canopy of green and brown leaves stands in a lush green field. The background shows a clear blue sky and distant hills. The text is overlaid on the lower right portion of the image.

“A sad occasion became
full of love, friendship
and time for reflection”

Make the day your own

The meadow gives you the freedom to be yourselves. Whether you are planning a simple interment with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

If it rains, the memorial shelter provides space for gatherings and refuge from the weather.

Flowers

Consider using flowers from your garden, or a friend's, or produce from the veg patch to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, Oasis foam or wire, please.

Think about scattering petals from a basket or single stems into the grave.

Personal touches

Choose the best format, music, ceremony and style to suit the person who has died.

You could celebrate with an open-air picnic; wear bright colours or a favourite team's strip; arrive by motorbike or horse and carriage. You have the time and space to do it your way.

Memorial plaques

Oak memorial plaques engraved with names and dates commemorate people buried in the meadow.

The plaques are housed between the upright timbers of the walls of the memorial shelter, located within the top corner of the meadow nearest the entrance.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.

Procedures

Prices and forms	A price list and all forms are available on the website: www.leedam.com/locations/cardiff/forms-and-prices
Provisional booking	Call 01600 716438 to make a provisional funeral booking, after the death has been certified, and let us know the requested date, name of the deceased, your own contact details and any prior purchase information.
Confirmation	We will check the calendar to make sure the date is available, then contact the gravedigger and custodian to make sure they are also available before confirming the booking.
Submit forms	Complete an online application form, or download a PDF from the website and at least three days before the event email it to cardiff@leedam.co.uk with a scanned copy of the Coroner's Order of Burial or a Registrar's Certificate (or cremation certificate for an ashes interment).
Payments	We will send you invoices and payment is made by bank transfer. We required payment no less than two days before the event. The gravedigger is paid separately, and will also require payment before the event. We will send you a receipt and confirm that everything is OK.
Embalming	Embalming is not permitted. Embalming fills the body with toxic chemicals, which we do not wish to introduce into the soil. We would only accept embalmed remains in exceptional circumstances, e.g. repatriation.
Choosing a plot	The burial ground is divided into nine areas with different prices. Arrange a family visit to the burial ground with the Custodian (07850091199) to choose an area and be shown the next available plot.
Double plots	Plots are single depth. Double plots are arranged side by side. The second plot can be paid for in full or costs can be spread over 10 or 20 months by setting up a monthly standing order (extra admin charge applies). If undecided, we can provisionally reserve it for 1 year, after which it may be offered to others.
Coffins etc	Choose an eco-coffin, casket or shroud. All materials, including linings and clothing, should be natural and biodegradable. No veneered MDF or chipboard, please. Standard nameplates are OK or a handwritten card label with the deceased's name and dates. <i>TIP - Use calico canvas instead of polythene Crem Film.</i>

Cardiff & The Vale

Natural Burial Meadow

Tel: 01446 364128

Coffin size	Please measure and include the true maximum external dimensions of the coffin on the Interment Forms. If in doubt please call us.
Grave digging	Our nominated gravedigger will prepare the grave ready for your arrival. Graves are single depth 1.3m; double plots are arranged side by side. Payment is made directly to the grave digger. We will send you a pro forma invoice with instructions before the funeral.
On the day	<p>There is usually only one burial on the day and time is not limited. The Custodian will be there to meet and direct you.</p> <p>The vehicular gate into the meadow will be open for the hearse, limousine and family mourners with limited mobility who display the priority parking sign in the windscreen. More info: www.leedam.com/advice/disabled-access</p> <p><i>TIP - Estate cars are popular with families instead of the formal herease.</i></p>
Dogs and pets	Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow.
Music	There is no electrical power supply in the burial ground. Make sure that battery-powered speakers are powerful enough to deliver good sound quality. Live, acoustic music is always beautiful.
What to wear	Wellies/hiking shoes (not high-heels); warm, windproof clothes. <i>TIP - Bring folding chairs, scarves, hats and blankets for the elderly.</i>
Carrying the coffin	The ground is uneven, so it is recommended to carry the coffin underarm rather than on shoulders, feet first. Set up trestles at regular resting points if the carry distance is long.
Webbing	Our gravedigger supplies sanitised webbing, so there is no need to bring your own.
Flowers	Seasonal flowers from the garden or produce from the veg patch are perfect. Please let florists know it is for a natural burial, so no plastic, Oasis foam or wire. Arrangements should be taken away at the end of the event. Please let the custodian know if a posy of flowers is to be left on the grave. <i>TIP - Bring a basket of petals from the garden to scatter into the grave.</i>
Items in the grave	Additional ashes can be included in the grave, please include details on the application form. You can also include natural tributes e.g. wooden boat, sea shells; a sealed museum jar with significant pieces, or other inert objects.

Cardiff & The Vale

Natural Burial Meadow

Tel: 01446 364128

After the funeral	We will issue a certificate of interment, by email, with the precise grave location details. This will be in pdf format for sharing.
Finding the grave	The certificate of interment will include links to Google Maps, GPS coordinates and the What3Words address of the grave. The What3Words mobile app is an easy way to navigate to the grave. If there is any concern, we can flag the spot.
Memorials	To keep the land sustainable for the future as pasture, individual graves are not marked. Instead, oak plaques inscribed with the names and dates are mounted between the upright timbers of the memorial shelter. Memorial rights to display a plaque are granted for 25 years (renewable). The memorial can be ordered on the Interment Form or a separate application form is available here .
Plants and trees	To conserve the Listed parkland landscape and the natural habitat, no trees are planted on graves. Groups of oak trees were planted to commemorate the Queen's Diamond Jubilee and these are now maturing well. To protect wildlife and bereaved families from unwanted change, nothing should be planted and no seeds should be scattered without our consent.

Further Information

Baby & infant funerals	Wales has a scheme in place, whereby no fees should be charged for the burial of a child or person under the age of 18 (including stillborn and foetal remains), which we support. https://leedam.com/advice/childrens-funerals/
Direct burials	A direct/simple natural burial can be arranged for families who do not wish to attend the burial. Full grave location details will be provided on the burial certificate.
Burial ground rules	Outlined in full here - www.leedam.com/rules-and-regulations
Maintenance	The burial ground is maintained as agricultural grassland. It will be mown three times a year. Sheep may be brought in to graze the land and when they do, be careful where you tread.
Long term security	The land has planning consent for use as a natural burial ground combined with agriculture. This gives it a high level of protection. There is no real chance of the land being redeveloped at any time in the future - read more here: www.leedam.com/future-security
