Natural Burial Meadow

 Leedam

Peaceful countryside

With the Preseli Mountains in the distance and views of the Plumstone Rock and Wolfscastle Rock across beautiful Welsh countryside, Pembrokeshire natural burial ground offers a peaceful place for a gentler and more natural way to 'hang up your boots'. The burial ground is located next to the village of Keeston, a five-minute drive to Haverfordwest and Newgale. Just a few miles to the spectacular Pembrokeshire coast.

At the burial ground, you have the freedom and time to create something special while enjoying the beautiful Pembrokeshire countryside many have grown to love. The land is sympathetically farmed to preserve the native wildlife and wildflowers. We're working to re-establish habitats such as the wild hedgerow, woodland and wetland, allowing the land not only to offer natural burial in beautiful, peaceful countryside, but also a nature-rich environment.

How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. At Pembrokeshire Natural Burial Meadow, you can purchase rights for burial or ashes interment...

In advance

- Visit the burial meadow and spend time there getting to know it and deciding whether it's right for you.
- Complete an online application or download a pre-purchase form from our website, or phone us and we'll send you an information pack.
- Pre-purchase at today's rate. Options available to pay by standing order.

Practicalities

We recommend stout footwear as the ground is uneven. A foldable chair is a good idea for those who find it difficult to stand and remember, there's no such thing as bad weather, just the wrong sort of clothes.

There is a wealth of information about natural burial on our website www.pembrokeshirenaturalburials.co.uk, or we are here in to answer your questions, so call us on - 01437 623128.

When planning a funeral

- Complete our online application form or download an interment form to let us know your plans for the day so that we can help you achieve your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials may take place 10am-3pm and at weekends by special arrangement.

Our custodian

Sarah Wickham

Phone: 01437 623128

Office: 01600 716438

Email: pembs@leedam.co.uk

Sarah is the landowner and Custodian. She looks after the natural burial ground with a helping hand from her young son Jesse who is actively involved in and inquisitive about everything to do with the burial ground. In fact, it is his bug hotel that you may come across on the permissive walk at the meadow.

On the day of a funeral, Sarah will be there to welcome and look after you.

Please contact Sarah if you would like to arrange a guided visit or would just like to learn more about having a natural burial at Pembrokeshire. If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

Make the day your own

The meadow gives you the freedom to be yourselves. Whether you are planning a simple burial with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

“A sad occasion became
full of love and friendship”

More time and space

The open surroundings of the meadow gives you freedom to organise the day the way that you want it to be and space to tell stories, read poems, recount memories and raise a glass in informal surroundings. A place to be yourselves, by yourselves...

Flowers

Consider using flowers from your own garden or a friend's, or produce from the veg patch, to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, oasis foam or wire please. Think about scattering petals from a basket or single stems into the grave.

Pets

Dogs are welcome at the burial ground and offer companionship and comfort at a funeral.

We are able to offer natural burials for pets within a dedicated pets area of the burial ground. Alternatively, a pet's ashes may be included in its owner's grave at the time of interment.

Memorials

Slate memorial plaques are housed in the oak memorial frame, located within the meadow.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.

We also have a limited number of places where trees can be planted or dedicated in memory within the meadow.

Burial ground map

The **Meadow** is home to the wildflowers and tall grasses that grow in the summer. It has views of the Preseli Mountains, Plumbstone Rock and Wolfcastle Rock.

In the **Spinney** each plot includes a native tree. After a burial, we plant the tree in the dormant season. Families can join us for the occasion or we can plant a tree on their behalf.

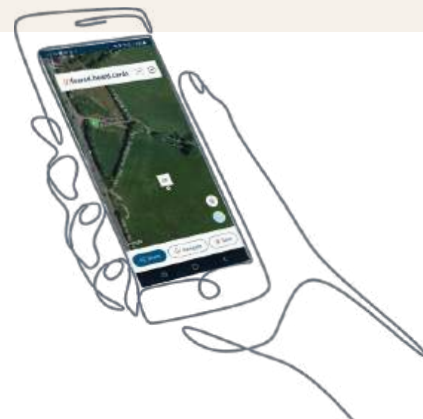

The **Glade** is bordered by a bank of beautiful wildflowers and will become sheltered by the maturing Spinney.

Finding the spot

Graves are carefully mapped and their exact GPS locations and What3Words addresses are recorded and shared with you so that you'll know where to visit.

If you struggle with any of these, don't worry - call us, we'll help.

Procedures

Prices and forms	A price list and all forms are available on the website: www.leedam.com/locations/pembrokeshire/forms-and-price
Provisional booking	Call 01600 716438 to make a provisional funeral booking, after the death has been certified, and let us know the requested date, name of the deceased, your own contact details and any prior purchase information.
Confirmation	We will check the calendar to make sure it's not already taken, then contact the gravedigger and custodian to make sure they are available before confirming the booking.
Submit forms	Download the Interment Form and complete the details as soon as possible and at least three days before the event . Email it to pembs@leedam.com with a scanned copy of the Coroner's Order for Burial or a Registrar's Certificate (or cremation certificate for an ashes interment).
Payments	Payment by bank transfer is required before the event. The gravedigger is paid separately, but also before the event. We will send you a receipt and confirm that everything is OK.
Embalming	Embalming fills the body with toxic chemicals which we do not wish to introduce into the soil. We would only accept embalmed remains in exceptional circumstances, e.g repatriation.
Choosing a plot	Arrange a family visit to the burial ground with the Custodian who will show you the three named areas (different prices apply) and where the next available plot positions are in each area. Liaise with us directly (01600 716438) using the mobile app What3Words.com to make sure the location is right.
Double plots	Plots are single depth. Double plots are arranged side by side. Choose which side is which. The second plot can be paid for in full monthly standing order (extra admin charge applies). If undecided, we can provisionally reserve it for 1 year, after which it may be offered to others.
Coffins etc	Choose an eco-coffin, casket or shroud. All materials, including linings and clothing, should be natural and biodegradable. No veneered MDF or chipboard, please. Standard nameplates are OK or a handwritten card label with the deceased's name and dates. <i>TIP - Use calico canvas instead of polythene Crem Film.</i>

Pembrokeshire

Natural Burial Ground

Coffin size	Please measure and include the true maximum external dimensions of the coffin on the Interment Forms. If in doubt please call us.
Grave digging	Our nominated gravedigger will prepare the grave ready for your arrival. Graves are single depth 1.3m; double plots are arranged side by side. Families can backfill the soil to cover the coffin if they choose, but the gravedigger will complete the work.
On the day	There is usually only one burial on the day and time is not limited. The Custodian will be there to meet and direct you. The vehicular gate into the meadow will be open for the hearse, limousine and family mourners with limited mobility who display the priority parking sign in the windscreen. <i>TIP - Estate cars are popular with families instead of the formal hearse.</i>
Dogs and pets	Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow. A pet's ashes may be included in its owner's grave at the time of interment.
Music	There is no electrical power supply in the burial ground. Make sure that battery-powered speakers are powerful enough to deliver good sound quality. Live, acoustic music is always beautiful.
What to wear	Wellies/hiking shoes (not high-heels); warm, windproof clothes. <i>TIP - Bring folding chairs, scarves, hats and blankets for the elderly.</i>
Carrying the coffin	We have a wooden bier available upon request at the burial ground. The ground is uneven, so it is recommended to carry the coffin underarm rather than on shoulders, feet first. Set up trestles at regular resting points if the carry distance is long.
Webbing	Please bring your own webbing. The custodian or gravedigger will have a backup set in case you come without.
Flowers	Seasonal flowers from the garden or produce from the veg patch are perfect. Let florists know it is for a natural burial, so no plastic, Oasis foam or wire, please. Arrangements should be taken away at the end of the event. Please let the custodian know if a posy of flowers is to be left on the grave. <i>TIP - Bring a basket of petals from the garden to scatter into the grave.</i>

Natural Burial Ground

Items in the grave	Additional cremated remains can be included in the grave, even those of a pet; please include details on the application form. You can also include natural tributes e.g wooden boat, sea shells; a sealed museum jar with significant pieces, or other inert objects.
After the funeral	We will issue a certificate of interment, by email, with the precise grave location details. This will be in pdf format for sharing.
Finding the grave	The certificate of interment will include links to Google Maps, GPS coordinates and the What3Words address of the grave. The What3Words mobile app is an easy way to navigate to the grave. If there is ever concern, we can flag the spot.
Memorials	To keep the land sustainable for the future as pasture, individual graves are not marked. Instead, oak plaques inscribed with the names and dates are mounted between the upright timbers of the memorial shelter. Memorial rights to display a plaque are granted for 25 years (renewable). The memorial can be ordered on the Interment Form or a separate application form is available here .
Plants and trees	A small number of opportunities exist to plant new trees in the margins of the meadow. Please discuss this with the custodian. In order to conserve the natural habitat and protect bereaved families, nothing should be planted and no seeds should be scattered without our consent.

Further Information

Baby & infant funerals	Wales has a scheme in place, whereby no fees should be charged for the burial of a child or person under the age of 18 (including stillborn and foetal remains), which we support.
Direct burials	A direct/simple natural burial can be arranged for families who do not wish to attend the burial. Full grave location details will be provided on the burial certificate.
Burial ground rules	Outlined in full here - www.leedam.com/rules-and-regulations
Maintenance	The burial ground is maintained as agricultural grassland. It will be mown two or three times a year. Sheep may be brought in to graze the land and when they do, be careful where you tread.
Long term security	The land has planning consent for use as a natural burial ground. The more burials that take place on the land, the better protected it will be. The burial ground operator has a 99 year lease on the land, which gives it a very high level of protection. There is no real chance of the land being redeveloped at any time in the future.
