Natural Burial Meadow

 Leedam

Peaceful countryside

With the Preseli Mountains in the distance and views of the Plumstone Rock and Wolfscastle Rock across beautiful Welsh countryside, Pembrokeshire natural burial ground offers a peaceful place for a gentler and more natural way to 'hang up your boots'. The burial ground is located next to the village of Keeston, a five-minute drive to Haverfordwest and Newgale. Just a few miles to the spectacular Pembrokeshire coast.

At the burial ground, you have the freedom and time to create something special while enjoying the beautiful Pembrokeshire countryside many have grown to love. The land is sympathetically farmed to preserve the native wildlife and wildflowers. We're working to re-establish habitats such as the wild hedgerow, woodland and wetland, allowing the land not only to offer natural burial in beautiful, peaceful countryside, but also a nature-rich environment.

How it works

A natural burial is the most ecological funeral option, a thoughtful legacy for future generations. At Pembrokeshire Natural Burial Meadow, you can purchase rights for burial or ashes interment...

In advance

- Visit the burial meadow and spend time there getting to know it and deciding whether it's right for you.
- Complete an online application or download a pre-purchase form from our website, or phone us and we'll send you an information pack.
- Pre-purchase at today's rate. Options available to pay by standing order.

Practicalities

We recommend stout footwear as the ground is uneven. A foldable chair is a good idea for those who find it difficult to stand and remember, there's no such thing as bad weather, just the wrong sort of clothes.

There is a wealth of information about natural burial on our website www.pembrokeshirenaturalburials.co.uk, or we are here in to answer your questions, so call us on - 01437 623128.

When planning a funeral

- Complete our online application form or download an interment form to let us know your plans for the day so that we can help you achieve your wishes.
- Make the arrangements yourself or ask your funeral director to do this for you.
- Book the date and time with us. Burials may take place 10am-3pm and at weekends by special arrangement.

Sarah is the landowner and Custodian. She looks after the natural burial ground with a helping hand from her young son Jesse who is actively involved in and inquisitive about everything to do with the burial ground. In fact, it is his bug hotel that you may come across on the permissive walk at the meadow.

On the day of a funeral, Sarah will be there to welcome and look after you.

Please contact Sarah if you would like to arrange a guided visit or would just like to learn more about having a natural burial at Pembrokeshire. If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

Make the day your own

The meadow gives you the freedom to be yourselves. Whether you are planning a simple burial with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

“A sad occasion became
full of love and friendship”

A vibrant meadow with a pond and a blue sky with clouds. The foreground is a lush green field filled with yellow wildflowers. In the middle ground, a small, calm pond reflects the sky. The background features rolling green hills, a few buildings, and a clear blue sky with scattered white clouds.

More time and space

The open surroundings of the meadow gives you freedom to organise the day the way that you want it to be and space to tell stories, read poems, recount memories and raise a glass in informal surroundings. A place to be yourselves, by yourselves...

Flowers

Consider using flowers from your own garden or a friend's, or produce from the veg patch, to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, oasis foam or wire please. Think about scattering petals from a basket or single stems into the grave.

Pets

Dogs are welcome at the burial ground and offer companionship and comfort at a funeral.

We are able to offer natural burials for pets within a dedicated pets area of the burial ground. Alternatively, a pet's ashes may be included in its owner's grave at the time of interment.

Memorials

Slate memorial plaques are housed in the oak memorial frame, located within the meadow.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.

We also have a limited number of places where trees can be planted or dedicated in memory within the meadow.

Burial ground map

The **Meadow** is home to the wildflowers and tall grasses that grow in the summer. It has views of the Preseli Mountains, Plumbstone Rock and Wolfcastle Rock.

In the **Spinney** each plot includes a native tree. After a burial, we plant the tree in the dormant season. Families can join us for the occasion or we can plant a tree on their behalf.

The **Glade** is bordered by a bank of beautiful wildflowers and will become sheltered by the maturing Spinney.

Finding the spot

Graves are carefully mapped and their exact GPS locations and What3Words addresses are recorded and shared with you so that you'll know where to visit.

If you struggle with any of these, don't worry - call us, we'll help.
