

Usk Castle Chase

Natural burial ground

Leedam

A beautiful view over familiar places

An elevated meadow, surrounded by mature trees on three sides, which frame scenic horizons across the town and the Usk valley towards Twmbarlwm in the west and Wentwood to the south.

The rustic peace and beauty here change with each passing season. Visit the burial ground at any time of year to connect with nature, sense the elements, and feel replenished and revitalised. Find space to reflect on life, love, and loss.

The meadow offers freedom and privacy – a space that's yours when you need it. It's a calm and timeless place to be still, away from the hurry and noise of the modern world.

Visiting the meadow

Practicalities

We recommend sturdy footwear for walking in the meadow. A foldable chair is a good idea for those who find it difficult to stand and please dress appropriately for the weather.

The Bothy is located on site at the natural burial ground, it is available for hire after ceremony tea and coffee. There are toilets available within The Bothy.

Arrange a meeting

If you would like to arrange a visit to have a look around the burial ground and learn more about natural burial, please contact our office (01600 716 438) and we will arrange for our custodian to meet you.

If you prefer to explore the burial meadow independently, please feel free to visit and have a wander around.

More time and space

The natural burial ground in Usk is an open meadow, surrounded by mature trees framing scenic views across the Usk Valley.

The burial ground is tranquil and private. An unhurried and gentle place to get away from it all. It is somewhere quiet to be with your memories, to take one step at a time, close to nature, whatever the weather, throughout the seasons.

A scenic landscape featuring rolling hills under a dramatic sky. In the foreground, a grassy slope leads down to a herd of sheep grazing. The middle ground shows a valley with green fields and scattered trees. The background consists of distant hills under a sky filled with large, white and grey clouds, with a hint of sunset or sunrise light. The overall mood is peaceful and contemplative.

“A sad occasion became
full of love, friendship
and time for reflection”

Make the day your own

The meadow gives you the freedom to be yourselves. Whether you are planning a simple interment with only a few in attendance or a larger funeral event we will offer inspiration, support and guidance, so you can organise the day exactly as you'd like it.

If it rains, the memorial shelter provides space for gatherings and refuge from the weather.

Flowers

Consider using flowers from your garden, or a friend's, or produce from the veg patch to create a hand-tied bouquet. Ask florists to use these or locally grown flowers. No plastic, Oasis foam or wire, please.

Think about scattering petals from a basket or single stems into the grave.

Coffins & Caskets

Coffins and caskets should be made from and lined with natural, biodegradable materials.

Nothing harmful goes into the ground. No plastics, MDF or chipboard should be used.

Memorial plaques

Oak memorial plaques engraved with names and dates commemorate people buried in the meadow.

The plaques are housed between the upright timbers of the roof of the memorial shelter, located below the top ridge of the meadow by the Sedge Bank area.

Rights to display a plaque are granted for a period of 25 years after which they can be renewed.

We invite you to visit, walk the land, and take time to discover the area that feels right for you or your family.

Finding the spot

Graves are carefully mapped and their exact GPS locations and What3Words addresses are recorded and shared with you so that you'll know where to visit.

Procedures

Prices and forms	A price list and all forms are available on the website https://www.leedam.com/locations/usk-castle-chase/forms-and-prices/
Provisional booking	Call 01600 716438 to make a provisional funeral booking, after the death has been certified. Let us know the requested date, name of the deceased, your contact details and any prior purchase information.
Confirmation	We will check the calendar to make sure it's not already taken, then contact the gravedigger and custodian to make sure they are available before confirming the booking.

Submit forms	Download the Interment Form and complete the details as soon as possible and <u>at least two days before the event</u> . Email it to usk@leedam.co.uk with a scanned copy of the Coroner's Order for Burial or a Registrar's Certificate (or cremation certificate for an ashes interment).
Payments	Payment by bank transfer is required before the event. The gravedigger is paid separately, but also before the event. We will send you a receipt and confirm that everything is OK.
Embalming	Embalming fills the body with toxic chemicals which we do not wish to introduce into the soil. We would only accept embalmed remains in exceptional circumstances, e.g. repatriation.
Choosing a plot	Arrange a family visit to the burial ground with the Custodian (07527 834187) who will show you the options available. Liaise with the office directly (01600 716438) using the mobile app What3Words.com to make sure the location is right.
Double plots	Plots are single depth. Double plots are arranged side by side. Choose which side is which. The second plot can be paid for in full or costs can be spread over 10 or 20 months by setting up a monthly standing order (extra admin charge applies). If undecided, we can provisionally reserve it for 1 year, after which it may be offered to others.
Coffins etc	Choose an eco-coffin, casket or shroud. All materials, including linings and clothing, should be natural and biodegradable. No veneered MDF or chipboard, please. Standard nameplates are OK or a handwritten card label with the deceased's name and dates. <i>TIP - Use calico canvas instead of polythene Crem Film.</i>
Coffin size	Please measure and include the true maximum external dimensions of the coffin on the Interment Form. If in doubt, please call us.
Grave digging	Our nominated gravedigger will prepare the grave ready for your arrival. Graves are single depth 1.3m; double plots are arranged side by side. Families can backfill the soil to cover the coffin if they choose, but the gravedigger will complete the work.

On the day	There is usually only one burial on the day and time is not limited. The Custodian will be there to meet and direct you. The vehicular gate into the meadow will be open for the hearse, limousine and family mourners with limited mobility who display the priority parking sign in the windscreen. <i>TIP - Estate cars are popular with families instead of the formal hearse.</i>
Dogs and pets	Dogs offer comfort and companionship, especially at funerals. Dogs on leads are welcome at the burial meadow. A pet's ashes may be included in its owner's grave at the time of interment.
Music	There is no electrical power supply in the burial ground. Make sure that battery-powered speakers are powerful enough to deliver good sound quality. Live, acoustic music is always beautiful.
What to wear	Wellies/hiking shoes (not high-heels); warm, windproof clothes. <i>TIP - Bring folding chairs, scarves, hats and blankets for the elderly.</i>
Carrying the coffin	The ground is uneven, so it is recommended to carry the coffin underarm rather than on shoulders, and feet first. Set up trestles at resting points if the carry distance is long.
Webbing	Funeral directors should bring webbing. The custodian or gravedigger will have a backup set in case you come without.
Flowers	Seasonal flowers from the garden or produce from the veg patch are perfect. Let florists know it is for a natural burial, so no plastic, Oasis foam or wire, please. Arrangements should be taken away at the end of the event. Please let the custodian know if a posy of flowers is to be left on the grave. <i>TIP - Bring a basket of petals from the garden to scatter into the grave.</i>
Items in the grave	Additional cremated remains can be included in the grave, even those of a pet; please include details on the application form. You can also include natural tributes e.g wooden boat, sea shells; a sealed museum jar with significant pieces, or other inert objects.

After the funeral	We will issue a certificate of interment, by email, with the precise grave location details. This will be in pdf format for sharing. It can be sent via post on request.
Finding the grave	The certificate of interment will include links to Google Maps, GPS coordinates and the What3Words address of the grave. The What3Words mobile app is an easy way to navigate to the grave. If there is ever concern, we can flag the spot.
Memorials	To keep the land sustainable for the future, individual graves are no longer marked. Instead, slate plaques inscribed with the names and dates are mounted between the upright timbers of the memorial frame. Memorial rights to display a plaque are granted for 25 years (renewable). The memorial can be ordered via our online application form, or a PDF can be downloaded from our Forms and Prices page.
Plants and trees	We have a limited number of newly planted trees within the burial ground. We offer families the option to dedicate a tree plaque on the tree guards in memory of someone buried there. To conserve the landscape and the natural habitat, no trees are planted on graves. To protect wildlife and bereaved families from unwanted change, nothing should be planted and no seeds should be scattered without our consent.

Further Information

Baby & infant funerals	Wales has a scheme in place, whereby no fees should be charged for the burial of a child or person under the age of 18, which we support.
Direct burials	A direct/simple natural burial can be arranged for families who do not wish to attend the burial. Full grave location details will be provided on the burial certificate.
Burial ground rules	Outlined in full here - www.leedam.com/rules-and-regulations
Maintenance	The burial ground is maintained as agricultural grassland. Sheep may be brought in to graze the land and when they do, be careful where you tread.
Long term security	The land protected by a 99-year covenant. It is also part of the Little Castle Farm Estate. There is no real chance of the land being redeveloped at any time in the future.
